

MESSY CHURCH AT HOME

Hi there Messy Church folks,

As the seasons have changed from Winter to Spring (my favourite time of the year) we start to see new growth happening all around us. The flowers are beginning to push their way out of the ground, the trees are growing their leaves and the days are staying brighter for longer. I love spring as it signals new possibilities as well as a change from the long Ballarat Winter. We thought this month would be a good time to look at creation in Messy Church at Home. So we have included a few activities based on creation for you to try. At church at the moment we are looking at the seasons of creation too and Lauletti is talking each week about a different aspect of creation, so join us online on Sunday mornings to hear a little more about our great created world. Stay well & we hope to see you soon!

The Messy Church team

GOD THE CREATOR

[Click here](#) to watch how God created the heavens and the earth and everything in it.

Colouring and Puzzle fun

Get your pencils and crayons out to colour the activity sheet - [click here](#). Then get your brain in gear to follow the path of the maze by [clicking here](#).

Make a Creation Cube and Seasons Agamograph

[Click here](#) to colour and make a Creation Cube and then [print the instructions](#) and the [pattern](#) to colour and fold a Seasons Agamograph (it is easier than it sounds).

Creation Song 1,2,3,4,5,6,7

[Click here](#) to listen to this great song, reminding us that *God made everything*.

The End - See you next month!

Fun fact: Bananas have a curved shape because they reach for the sunlight when they grow.

Hope you've had fun. Looking forward to more fun activities next months.

Please send Andy a picture of the things you've drawn or made.

You can [click here](#) to send Andy an email or text Andy on 0476 880 394.

Hope you've enjoyed Messy Church at home!
