

Hi everyone.

Love God, Love your neighbour

One day Jesus was in the temple teaching the people who were gathered there. A group of religious leaders began asking him tricky questions to try to embarrass him so that the people would not listen to his teaching. One of the men asked Jesus, "Teacher, which is the greatest commandment?"

Jesus answered him, "The most important is this, 'Love the Lord your God with all your heart and with all your soul and with all your mind,' this is the greatest commandment".

Do you know what Jesus said next?

He said, "The second is this: 'Love your neighbour as yourself.'"

It sounds easy doesn't it? But actually it can be very hard. To love our neighbour as yourself?

That can be tricky sometimes can't it? Especially if that person is not being that nice to us. But God wants us to try our best to show love to all around us. Even if we might not feel like it.

We need God's help every day to do our best to show love for others.

We hope you enjoy doing some of these craft activities. And remember, with God's help we can try to show love to all we meet.
