We acknowledge the traditional custodians of the lands and waters in the Ballarat area, the Wathaurong People of the Kulin Nations. We pay our sincere respect to their Elders: past, present and emerging. The Uniting Church in Australia commits its members to walk together with compassion and justice as First and Second Peoples. We are committed to continue this stewardship and reconciliation.

Our Peace Pole has arrived

Many of you will have noticed the Peace Pole waiting patiently in the foyer of the Peart Wing for the big day on Sunday, 22nd March, when it will be unveiled in its permanent position, replacing one of the trees in front of the Manse.

Lauleti had already established a Peace Pole at his church in Nunawading and wanted us to have one here in Ballarat.

So finally, here it is!

The idea of a peace pole movement arose out of the atomic bombing of Hiroshima and Nagasaki at the end of World War II. In 1955, Masahisa Goi had a simple message for the world — “May Peace Prevail on Earth”.

Today that message is still so very relevant to the world.

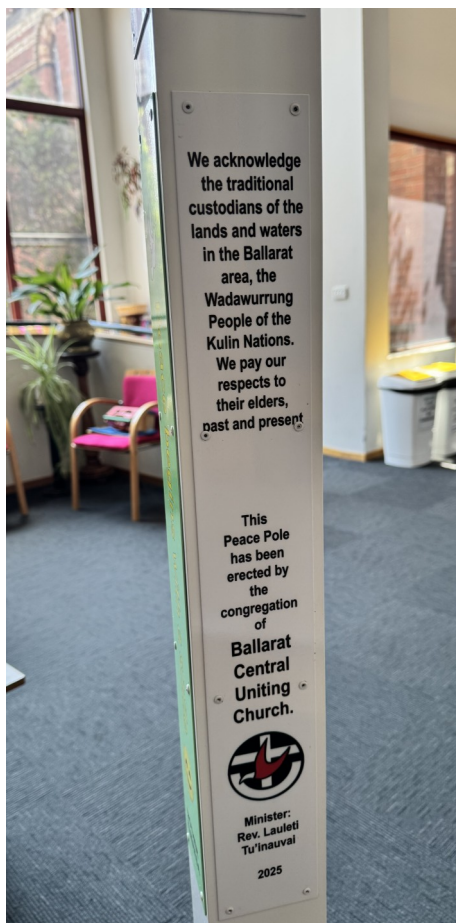

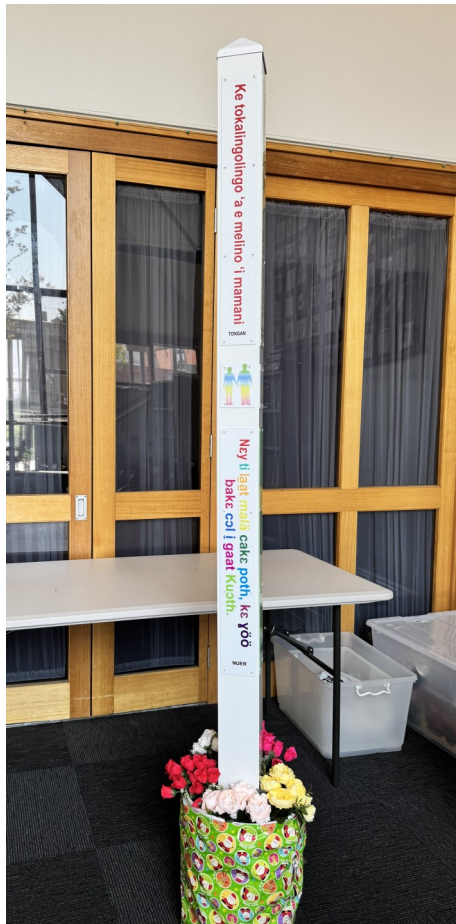

Our pole has this prayer written in English, Japanese and Tongan.

The Sudanese language has the Biblical verse “Blessed are the peacemakers” written in Nuer.

Two other quotes have been added: “Peace begins with a smile” (Mother Teresa) and “Where there is hatred let me sow love” (Francis of Assisi). We also acknowledge that this Peace Pole stands on the land belonging to the Wadawurrung people.

So, when you look at the pole, may you too, pray for peace.

A letter to all from our Minister and Congregation Chairperson

Dear Friends,

We write to introduce our Stewardship Programme for 2026.

Some key dates: Sunday 15 Feb – Our Programme starts. Introduction during service.

Pancake Luncheon (Uniting Fund-raiser).

Sunday 15 March - Opportunity to offer our contributions

Sunday 22 March – Celebration Sunday (our programme ends)

Our theme, **Welcoming / Inclusive / Committed**, is derived from our Mission Statement 'Who we are'. We will explore what each of these three words might mean to our current and future ministry and mission.

To achieve our ministry and mission plans we need resources: people, finance and property. We ask you to reflect on your own gifts and talents and ask yourself what you can offer as **contributor, and/or in leadership**.

It is also timely that we all take the opportunity to think about our **monetary contributions**. During the course of our programme we will remind you of how we use our income in ministry and mission. Should we wish to engage in new ministry and mission additional resources may be required.

We have recently completed a major commitment to the maintenance of our property with the repair of gables and roof flashing. To be able to retain it as functional space to support our current and future ministry and mission we will need to continue to engage in ongoing maintenance and some upgrading in relation to building security and fire detection.

You will notice that our stewardship programme overlaps with the liturgical season of Lent, a time of thoughtful reflection, and therefore is a time fully appropriate for us to reflect on all the facets of stewardship.

"The Uniting Church affirms that every member of the Church is engaged to confess the faith of Christ crucified and to be his faithful servant. It acknowledges with thanksgiving that the one Spirit has endowed the members of Christ's Church with a diversity of gifts, and that there is no gift without its corresponding service: all ministries have a part in the ministry of Christ." (Basis of Union)

Yours in Christ,

Minister in Placement

Rev Lauleti Tu'inauvai

Congregation Chairperson

Adri Stickland

From our Minister's Pen 

It is my hope and prayer as we embark on this New Year to encourage us to discern to re-dedicate our commitments and services for Christ, our Lord and Saviour, during this Seasons of Epiphany and Lent. We have been reminded in Jesus' own baptism and our own baptism that we are "beloved" and "well pleased" by God through Christ.

The Season of Epiphany (January 6 – February 15) is focussed on the manifestation of Christ to the Gentiles. It is represented by the Magi (Matthew 2:1–12). It is the Christian festival commemorating the Epiphany and Jesus's baptism on 6 January. It is the manifestation of a divine and supernatural being. It is a moment of sudden and great revelation and realisation. It is a time of expecting special divine events with God's people as it happened with Jesus.

And in the Season of Lent (18th February to 4th April), is the Christian season of spiritual preparation before Easter. It begins on Ash Wednesday, 18th February. During Lent, Christians are encouraged to observe a period of

An invitation to re-dedicate our commitments, services for Christ!

fasting, repentance, moderation, self-denial, and spiritual discipline. The purpose of the Lenten season is to set aside time for reflection on Jesus Christ—to consider his suffering and his sacrifice, his life, death, burial, and resurrection. During the six weeks of self-examination and reflection in Lent, Christians who observe Lent usually commit to fast, or to give up something—a habit, like smoking, watching TV, swearing, or a food or drink, such as sweets, chocolate, or coffee. Some Christians also take on a Lenten discipline, like reading the Bible and spending more time in prayer to draw nearer to God. Strict observers of Lent do not eat meat on Fridays, often opting for eating fish instead.

The goal of these spiritual disciplines is to strengthen the faith of the observer and develop a closer relationship with God.

For our congregation at Ballarat Central, we have planned a Stewardship Program during Lent in which we will plan our Giving Program for 2026 which will also impact on the next few years. This is an opportunity for us to discern our own individual gifts and graces and also our resources and find ways that we can offer them to the mission and ministry of God in and through our community. Our last Stewardship Program was held in 2022.

I encourage you to please take time to read Rod Devenish's article about our Planned Giving Program 2026. Rod is leading this Planned Giving Program 2026 Committee. This program will be launched during our worship on

Sunday 15th February and concluded with a celebration on Sunday 22nd March which will also include the unveiling of our Peace Pole.

The apostle Paul reminded Jesus's followers of the gifts that God has gifted each and everyone of us:

⁴ Now there are varieties of gifts but the same Spirit, ⁵ and there are varieties of services but the same Lord, ⁶ and there are varieties of activities, but it is the same God who activates all of them in everyone.

⁷ To each is given the manifestation of the Spirit for the common good.

⁸ To one is given through the Spirit the utterance of wisdom and to another the utterance of knowledge according to the same Spirit, ⁹ to another faith by the same Spirit, to another gifts of healing by the one Spirit, ¹⁰ to another the working of powerful deeds, to another prophecy, to another the discernment of spirits, to another various kinds of tongues, to another the interpretation of tongues.

¹¹ All these are activated by one and the same Spirit, who allots to each one individually just as the Spirit chooses. (1 Corinthians 12:4-11 NRSVUE)

I encourage you to discern the gifts that have been gifted you by God and also discern the service/s that you would like to offer God and others and also to partner with Jesus and people of our congregation.

We are a community which is diverse in background, life experience, culture, age and theological outlook. We welcome all people. We are especially committed to being in relationship and community with those who are isolated, ostracised, and disadvantaged by social and political structures. (Please note that the Church Council is revising this mission statement).

I wish you all the blessings of God.

Church Council Report

Rod Devenish, Chairperson
January 2026

Executive & Finance Committee of Church Council met on the 21st of January; full Council will meet on the 28th January.

Worship

We thank Lauleti and all others who led, or contributed to, the ministry of delivering our Advent and Christmas worship services.

It was wonderful to see the range of talents (spoken word, choral singing, organ and instrumental accompaniment) that so greatly enriched these services.

Uniting

Uniting In Ballarat

Christmas Distribution

On Tuesday 16 and Thursday 18 December, Uniting Ballarat's Christmas distribution to clients of

vouchers and toys was conducted from the former OpShop space, with the assistance of several volunteers from the congregation who assisted in several roles including: registration, toy store elf, re-stocking and tea/coffee provision.

Appreciation afternoon tea

On Friday 19 December we held an appreciation afternoon tea for Uniting Ballarat staff.

Like our previous afternoon teas of this type it provided a great opportunity for sharing of information and stories.

Fundraising in support of Uniting

Two key events are planned for February through March:

1. Pancake Luncheon, Sunday 15 February
2. A Book Fair will be held over the Labour Day weekend; Sat 7th, Sun 8th and Mon 9th March

The funds raised will be distributed to Lifeline and BreezeWay. Anyone who would like to assist with the lunch or book fair should please speak with Anita Hinton. If anyone has books, magazines, CDs, DVDs to donate please contact either Alan Hinton or Rod Devenish.

In December we received this message from Belinda Collihole, Uniting Lifeline Manager, Ballarat & Melbourne:

"From all of us at Lifeline Ballarat, a heartfelt thank you for the generous donation of \$5,000 from the Ballarat Central Uniting

Church Book Fair. Because of donations like this and the ongoing support we receive from local community members and organisations, we're able to continue being here for people when they need someone to listen, support, and care.

Your generosity truly makes a difference in the lives of so many in our community.

We are incredibly grateful to the congregation for their ongoing support of Lifeline Ballarat and the work we do."

***With warmest thanks,
Belinda Collihole, Uniting Lifeline Manager, Ballarat & Melbourne***

Our Building

Our insurance risk advisors have been suggesting to us that we need to improve our current low level of building security.

Church Council is currently planning the installation of smoke detectors and security monitoring devices throughout the buildings. Instalment of this equipment is anticipated to help moderate our future building insurance costs.

A Working Bee will be held soon to declutter the garage and other storage spaces in our buildings. Please look out for an announcement of the date.

We would appreciate your assistance on the day if possible.

Stewardship Program

As advised at the Congregational meeting held on Sunday 23rd November, a Stewardship (Planned Giving) Program will be held during the Lenten period in 2026.

The season of Lent commences on Ash Wednesday, 18th February, concluding on Sunday, 29th March, Palm Sunday.

It's backpack time again

Thank-you to everyone for helping to send 30 backpacks full of school supplies to schools in the Pacific Islands. Now it's time to do it all again. It's back to school time and the shops and supermarkets have lots of "Back to School Specials". At the end is the usual list of school needs for each child. Anne has asked me to remind you all to remove packaging from EVERYTHING. The reason is that, in the islands, there is no real rubbish disposal system. Every piece of rubbish ends up in the sea. That is no good at all so, we keep the rubbish here where we can dispose of it carefully. Also, there is no need to provide tennis balls. We can source quality balls that have only been used for one competition match from tennis centres in Ballarat for a minimal cost. These bounce well

and are better for the students. Anne also suggests we try op-shops for back packs. She does this and puts them through her washing machine. If the zips are okay then the back packs are acceptable. Thank you for your help.

— Marg Littlehailes

Adri Stickland

Dear friends, as we begin another year, I wish you and your families God's blessing and presence with you in this year of 2026. We remember with sorrow those who have left us in the past year and welcome with joy those who have joined our fellowship these past 12 months.

In 2025 our average attendance on Sunday morning was 82,

steady over the last 3 years but well below the level of 116 prior to covid.

We thank ALL those who participate in leadership and the tasks that keep our outreach going, Particularly Lauleti, Andy, Sabine, Rod, Helen, Ben, and our organists. Also the choir, our Kuca team, stewards, group leaders, welcomers, kitchen gangs and the maintenance people.

As reported last year and clearly visible in this issue, Council has agreed to renew our Stewardship Program during the time of Lent this year. This is a time of reviewing and renewing the aims and extent of our congregational care

and outreach, reviewing the part we each play in that care and outreach and reviewing the monetary commitment we can each make to maintain this outreach.

Our commitments of time and skill and resources vary over the years and are subject to unforeseen changes in health and circumstances but that doesn't mean we should refrain from making them.

As Lauleti said recently, we are called to live and act in partnership with God so we need to commit ourselves and the outcome will be in his hands.

Gambling in Ballarat

People:

- Gambling is not in peoples' DNA or inherited.
- Kids need positive role models and interests other than sport while advertising is rife.
- Ballarat has 651 Pokie machines expected to raise \$68 million by the end of 2025 – but online Sports Bet type companies have no venues and make millions more.
- The CEO of BET 365 has an income of multi millions
- Australia has 600,000 child betters under 18 – interest starting at age 10.
- Addicts can be helped by empathy, new interests and support – not stigma.
- Gambling Industries offer \$50+ to addicts to "help" them.

- Gambling is a Health issue, best counteracted by empathy, friendship and new interests.
- Ballarat City Council is not part of the Victorian Councils anti-gambling body but has a Gambling Harm Policy.

Politics:

- The CEO of the NRL, Peter Bilandrios is a friend of Anthony Albanese.
- The Labor government has sat on anti-gambling recommendations for 850 days.
- Gambling licensing is done in the NT under "Freedom of Information" legislation and by the NT Racing body which has given no reports to government in 31 years.
- Europeans ban Gambling advertising and limit venues to Casinos whereas we license Pubs and Clubs.
- The AFL gets \$50 million from Gambling advertising. The Federal Government does the taxing but

the States do the licensing.

General:

- The Gambling Industry has 26,194 Pubs and Clubs and gains \$200 Billion pa, without Overseas online gains.
- 75% of global gambling is in Australia.

Volunteers for our Rosters

Our church wouldn't operate so efficiently without our large team of volunteers.

Are you in a position to join them? We need volunteers for Bible reading, carrying the Bible, prayers of the people, welcoming, morning tea, door stewards, flowers and folding the OOS. Please see Miriam Peck (0435 296 636) if you would like to take up any of these volunteer positions.

There will be two offerings relating to Lay Presiders. The full 2-day course for people who are not currently authorized and wish to be and two refresher days for those who are authorised and require the triennial refresher to continue as Lay Presiders.

We know that in many of our congregations we need people other than Ministry Agents who are able to lead funerals. We will be looking for people with experience in worship and preaching and with excellent Pastoral skills to engage in this training opportunity. This will be a two-day training event held over two weeks. The training will be held in two locations on the same dates.

Worship Resources

The Presbytery is looking at developing either weekly or fortnightly worship resources that can be used in smaller congregations who are unable to find someone to lead worship. It is hoped that a liturgical order can be provided that can be led easily from a small number in the congregation. We also hope to offer a video link that could bring the preaching of a sermon.

As we seek to develop this idea, it is imagined that the content will be put onto the Presbytery's web site and be as simple as a click on a link to work.

We hope that with the number of Placements with no paid Ministry agent and the difficulty of arranging Supply, that this might be an approach that will assist more than just our smaller congregations.

Possible new Presbytery Position

At the November meeting of Presbytery there was a suggestion that the Presbytery consider employing a person who will assist in the final development of the Presbytery Web page and then be responsible for maintaining the content on the page. (This would help us realise the idea of regular worship resources being available). The role would bring other aspects that will enhance and support our congregations.

The Presbytery Standing Committee is looking closely at this suggestion, and we hope we will have something more solid to share at the February Presbytery meeting.
